ADMINISTRATION

It is with love and with earnest hearts that we dedicate this year-book to the students of Wright City High School. May the youth of this community for generations to come receive instruction in knowledge and training in virtue. May they find here every condition necessary to a true and enlightened education. May no child pass from this school to higher grades or to the outer world without having been made more intelligent, more thoughtful, more courageous, more virtuous, and in every way more capable of wise and just, of useful and noble living.

Foreword

Into my heart's treasury
I slipped a coin
That time cannot rust,
Nor a thief purloin;
Oh, better than the minting
Of a gold crowned king,
Is the safe kept memory
Of a lovely thing.----Sara Teasdale.

May the memories in these pages be
cherished in your heart.
